

# Unlimited Revision Guidelines

## COVERED:

- Image replacement (2-3 images in a page but not all images)
- Move a picture from one page to another
- Change image color to BW
- Change image color to Sepia
- Minimal Retouch
- Text replacements
- Request to make an image bigger or smaller
- Request to make an image lighter or darker
- Resizing of albums (mini version - same design, same proportion)
- New design request or option layout for a particular page using the same images

## NOT COVERED:

- Changing or replacing all images on the page (considered new page request)
- Change of album dimension
- Changing or replacing of set pictures already chosen and designed
- New design request or option layout for a particular page using different images

Note: We will inform you if your revision requests will incur additional charges before we proceed with the changes. Please email us for questions or clarifications.
